## Terms

### # Quotes

Quotes are subject to acceptance within 30 days. Estimates are based on the cost of products and/or services, labour and materials on the date of the quote. If changes occur in cost of materials, labour, or other costs before acceptance, or if the customer requires changes in the shipping after acceptance, the right is reserved to change the price quoted. Unless otherwise confirmed by us in writing, all prices given are exclusive of applicable sales tax.

### # Pricing, Specifications & Availability

Prices, specifications, and availability of products are subject to change without notice. Changes will not affect orders that have already been accepted. Due to the volatile nature of the computer market, descriptions may not reflect current technical information. Any typographical, photographic, or specification error in product, pricing, or offers is subject to correction. Published prices do not include shipping and insurance. In the event of stock unavailability, if a customer has chosen to buy and wait for stock, the prices are fixed at the time of sale.

### # Purchase and Sale

IT Solver agrees to sell the product(s) upon the terms and conditions contained in this document. Purchaser shall be deemed to have agreed to all terms and conditions contained in this document, if Purchaser fails to object thereto in writing, before the earliest of the following times: (I) When Purchaser pays for the product(s), or, (II) When Purchaser accepts delivery of the product(s).
